### The AXIS Advantage

Our highly experienced underwriting, claims, modeling and actuarial teams have a breadth and depth of knowledge that distinguishes us in the industry. Clients across the globe value our expert underwriting, skilled claims management and world-class coverages.

AXIS nurtures an ethical, entrepreneurial and disciplined culture that promotes outstanding service and intelligent risk taking. Our strategy for success:

- Offer a diversified range of products and services across market segments and geographies.
- Underwrite a balanced portfolio of risks, including complex and volatile lines, moderating overall volatility with risk limits, diversification and risk management.
- Modulate our risk appetite and deployment of capital across the underwriting cycle, commensurate with available market opportunities and returns.
- Develop and maintain deep and trustful relationships with clients and distribution partners, offering outstanding service and effective solutions for risk management needs.
- Maintain excellent financial strength, characterized by financial discipline and transparency.
- Attract, develop, retain and motivate a superb team.

### Our Business

Over the years, AXIS has built a global franchise that is well diversified by product, geography, customer segment and distribution channels. Together, our teams form a company that has both an unmatched agility and the resources of a global powerhouse. We continue to invest heavily in our operations to support future growth.
