

HOW DOES YOUR CARRIER REWARD YOU?

DOES THIS
SOUND FAMILIAR?

Every renewal, your law firm pays its premium for malpractice coverage and year after year you remain claim free.

What's worse is that your renewal premium increases each year because your carrier is paying claims caused by other law firms.

**WOULDN'T IT BE NICE IF A CARRIER REWARDED
YOU FOR BEING CLAIM FREE?**

**AND BETTER YET, HAVE THOSE REWARDS INCREASE
YEAR AFTER YEAR?**

AND BEST OF ALL, PROVIDE THESE REWARDS FOR FREE?

**Founders Specialty
believes that claim free law
firms should be rewarded for
running their business well!**

Here's how:

For each year that your firm remains claim free, your retention is reduced by 10%, up to a maximum 50% reduction over five years. This could result in significant savings in the event your firm has a claim.

For each year that your firm remains claim free, \$50,000 of an additional claims expense limit is added, up to a maximum of \$250,000 over five years. This helps preserve your primary limits to satisfy any payments for damages.

So will a minor incident wipe all these benefits? No! A firm will still be considered "claim free" in determining eligibility for these benefits if any matter reported to the carrier has total incurred for damages and claims expenses of less than \$5,000. Better yet, the amount of total incurred increases by \$5,000 each year the firm renews with our program, up to a maximum of \$25,000 over five years.

**SO EACH YEAR YOU REMAIN CLAIM FREE,
THE BETTER THESE REWARDS GET!**

**ISN'T IT NICE THAT YOU CAN BE REWARDED FOR DOING
WHAT YOU ALREADY DO SO WELL?**
